

My Friend's Bedroom

Ask your friend some questions:

- “What shape is your bedroom?”
- “Where are the windows?”
- “Where is the bed?”
- “Where do you keep your clothes?”
- “What is on the walls?”
- “What is on the left/right of the bed?”
- “What is under the bed?”
- “Is there a desk and where is it?”
- “Tell me something special about your room?”
